What an internship at Pyrah’s Pioneer Peak Farm offers...

Our summer internship program provides a meaningful, productive experiential learning option for university students.

- Includes developing intentional learning objective goals that are supervised and structured into the experience
- Through diversification gives an all around look at industry career opportunities
- Promotes academic, career, and personal development
- 12 week, full-time internship program
- Offering both paid and university credit internship positions
- Involves industry related development
- Balances the intern’s learning goals with with organization’s needs
- Opportunities for personal research projects.
- Carefully monitored through weekly group training and individuals evaluations
- Small group sizes and one on one training opportunities
- Includes stipend for travel expenses and accommodations

THANK YOU FOR YOUR INTEREST IN OUR INTERNSHIP PROGRAM

We look forward to partnering with your university!
